EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with the Applicant on 11/08/04.

The application has been amended as follows:

Claims 1-19 are canceled.

EXAMINER'S COMMENTS

The one-month extension of time fee charged with the RCE was appropriate since the RCE was filed in the first month after the 2-month period for filing an Appeal Brief (after the Notice of Appeal was filed). In other words, the Notice of Appeal paid for a 2-month period from 6/3/04 to 8/3/04. Since the RCE was filed 9/1/04, it required a 1-month extension of time.

Regarding the \$165 that was erroneously charged twice for the Notice of Appeal, since the Applicant prefers a credit toward the next fee rather than a refund, please include such a statement with the payment of the issue fee. Perhaps the issue fee can be reduced by the \$165 that was erroneously charged. Applicant will receive a paper (perhaps accompanying this one) showing the issue fee due. Writing a check for this

amount less \$165 should be sufficient. (If Applicant includes the credit card form again, the clerk who processes the issue fee may charge the whole issue fee instead of the lesser amount. If a check is enclosed, the whole issue fee cannot be charged.)

Applicant is welcome to call the Examiner if any difficulties arise from this suggestion.

Any inquiry concerning a communication from the Examiner should be directed to the Examiner by phone at (571) 272-4214.

Any response to this action should be labeled appropriately (serial number, Art Unit 2188, and After-Final, Official, or Draft) and mailed to Commissioner for Patents, Washington, D.C. 20231 or faxed to (703) 872-9306.
